September 2021

Hello

I am delighted to welcome you to Bishop Carpenter Primary School.

Within our beautiful, rural setting we provide a broad, rich curriculum that offers our children opportunities to explore learning both indoors and outdoors. We have a dedicated, on site, 'Forest School' area which is used throughout all the seasons of the year, giving children hands on experience and encouraging curiosity within our natural environment. All of our staff are dedicated to offering a careful balance of challenge and support, allowing our children to gain confidence, independence and resilience in their learning adventure.

Through a Christian ethos we instill strong values such as respect, kindness, friendship and thankfulness; we firmly believe that this contributes to the development of the whole child. We ensure readiness for each step for all of our children and we do this in partnership with you.

We recognise the significance of starting full-time education for you and your child; we are here to help so please do not hesitate to ask us any questions.

Enjoy your visit.
Best wishes
