

Consultation on Changes to Primary School Oversubscription Criteria within The Warriner Multi Academy Trust

For entry in September 2027, the Trust is consulting on proposed changes to the oversubscription criteria for all its primary schools. These changes aim to ensure consistency and equity across all schools within the Multi Academy Trust.

Key Proposed Changes:

- Criteria 2: Addition of children who are eligible for the Early Years Pupil Premium (EYPP) at their early years provider.
- Criteria 3: Inclusion of children who are currently, or have previously been, subject to a Child in Need Plan or a Child Protection Plan.
- Criteria 8: Priority for children who attend the school's nursery at the time of application (where applicable).

These changes are designed to align admissions arrangements across all Trust schools and to provide priority for children who may benefit from additional support.

The Trust welcomes feedback from parents, carers, staff, and the wider community regarding these proposed changes before finalising the policy.

Consultation Period: Tuesday 4th November to Tuesday 16th December 2025.

How to Respond:

Please send any comments, feedback, or queries about the proposed arrangements to f.maxwell-middle@warrinermat.org or by post to the school, clearly marked "Admissions Consultation."

The full draft policy and a summary of all changes to the oversubscription criteria are available.
