

What do we offer your children?

You can drop your children off at 8.00 a.m. each morning Monday to Friday

Your child will be offered a variety of breakfast choices including cereals, fresh fruit, scrambled eggs, beans on toast, pancakes and even bacon butties and sausage sandwiches!! After breakfast, if time permits, they will be encouraged to participate in various table top games or craft activities.

The entrance to the Breakfast Club is via the new build and not the main school entrance. Children will use the toilet facilities in the new build entrance and not their own classes.

The cost is £3.00 per session. Payment is required in advance and you will be invoiced on a termly basis at the start of

each new term. We will charge for absence due to sickness and holiday. The reason for us charging is that we hold your child's place and we still have to pay the staff in charge of the care.

A registration form **MUST** be completed for all children attending the Breakfast Club

We can currently offer ad hoc sessions, however we would need notice of this on the Thursday before so that the weekly register can be amended. Payment will also have to be made at the time of booking. In addition all relevant forms would have to have been completed.

NB Any dietary requirements must be brought to the attention of the Breakfast Club Play Worker
